

CATALOGUE 2023

Established in 1998 in Indonesia, Pijar Sukma is a prominent producer of quality furniture, specializing in authentic indoor furnishings.

Enamored with the beauty of nature, we ardently craft unique pieces that seamlessly merge contemporary designs with masterful craftsmanship. Our mission is to bring the elegance of the great outdoors into homes, fostering fresh and invigorating living spaces.

For our 2023 collection, we have meticulously chosen natural materials of cultural significance, certain to impart a warm and inviting ambiance to your interiors. In these trying times, and with a mindful eye towards responsible consumption, we have strived to create a collection that embraces modern simplicity, offering efficiency and **affordability without sacrificing design.**

To cater to the growing trend of online sales, we at Pijar Sukma have tailored our 2023 collection to be optimized for online retail. We have adopted flat packaging techniques to reduce shipping costs and minimize damage during transit. Our collection is predominantly made up of small items that are easy to transport and handle, and we have conducted rigorous drop testing to ensure safe packaging. As a result, our catalog is well-suited for anyone who are looking to expand their online sales channels. By offering quality products that are both affordable and aesthetically pleasing, we aim to help our partners grow their businesses and reach more customers around the world.

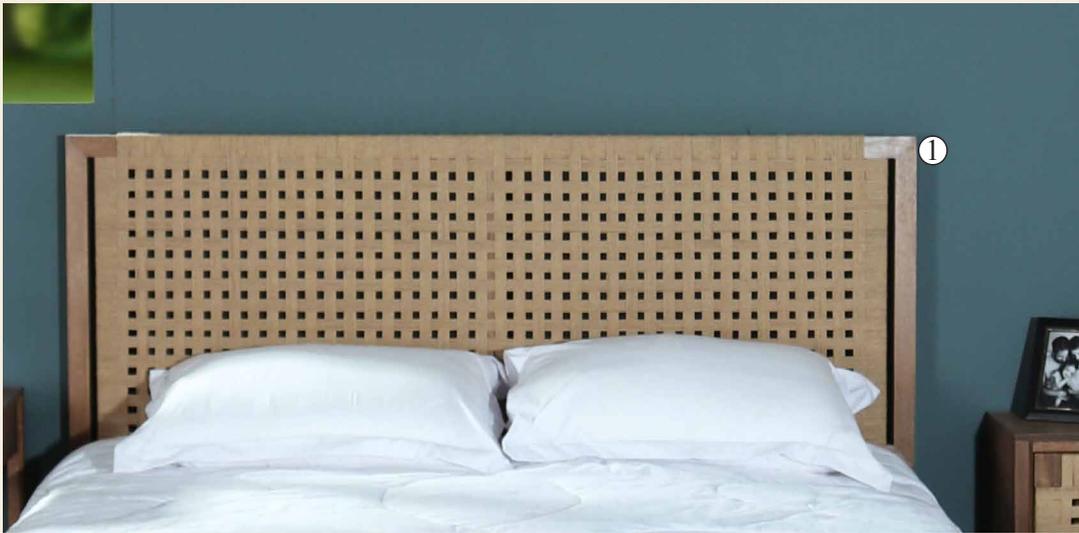

Baltaz

Collection

For 2023, BALTAZ offers a revitalizing take on the popular trend of darker wood, permeating furniture with a touch of nostalgia and class.

This elegant and warm aesthetic is achieved through the seamless fusion of simple design and expertly hand-woven natural materials, using unique loom techniques.

Instinctive

Collection

For INSTINCTIVE, we aimed to craft modern furnishings with sleek lines, elevated by nuanced carvings that accentuate the silhouette of each design.

This collection is a fusion of contemporary, art deco, and farmhouse styles, with the farmhouse aesthetic evident in the choice of a delicate, natural hand-painted body complemented by a dark wooden top.

Concept

Collection

Nature, brought indoors.

Our aspiration is to infuse interiors with the natural beauty of the outdoors.

In pursuit of this goal, we have chosen to employ minimalist, contemporary lines that showcase the singular beauty of our 100% natural rattan.

A harmonious aesthetic and visual impact were paramount considerations in our design process, and the choice of a sleek, modern black paint finish enhances these ideals.

Liege

Collection

Inspired by heritage and authenticity, our collection LIEGE embodies the vintage and poetic lines of Louis XVI design.

This fresh collection brings a touch of nostalgia, heightened by its beautiful water-based hand-painted finish.
