OUR PHILOSOPHIE

Growing in Harmony

At **PT. Pijar Sukma**, meaning “*spark of the soul*” in Indonesian, we believe true success comes from growing together. Our commitment to positive impact is built on four key pillars:

- **Our Environment** – Sustainability drives us. We use 100% legal, traceable wood, ensure V-Legal certification for every shipment, and uphold SVLK & COC certifications through annual audits. Our in-house R&D lab pioneers eco-friendly, water-based finishes to minimize our footprint.
- **Our Suppliers** – We build lasting partnerships by supporting small artisans, offering financial aid and interest-free loans to improve their workshops while providing guidance to help them thrive.
- **Our Employees** – A safe, healthy, and growth-oriented workplace is our priority. Regular SMETA social audits uphold ethical labor standards, ensuring fair treatment and equitable compensation.
- **Our Customers** – We view clients as partners, delivering creativity, innovation, and high-quality furniture at competitive prices. Our flexible customization brings their unique visions to life, ensuring success in their markets.

Harmony is more than a principle : it’s the foundation of everything we do. Through respect, goodwill, and shared purpose, we create meaningful, sustainable growth for all.
